

Technical Specifications for Laptop

Item		Description
Processor	Type	Intel Core i3 Processor 2.26 GHz
	Technology	45nm or lower
	Wattage	35 w or Lower
	L3 Cache	3 MB or higher
Memory	Capacity	2GB or higher
	Technology	DDR3
	Frequency	1066 Mhz or higher
Hard Drive	Capacity	160GB or higher
	Interface	SATA II
	Speed	7200 RPM or higher
Optical Disk Drive	DVD+/- RW	16X Super Multi DL
Display	Size	14" or higher LED Backlit with brightness or higher
	Resolution	1366 x768 or higher
	Technology	HD , WLED
Wireless Network Card	Technology	802.11 b/g/n
Network Card	Technology	Ethernet
	Speed	1 Gigabit
Battery	Power Backup	3 hours or higher
Software	Operating System	Microsoft Windows 7 Professional 32/64-bit (Quote separately)

Miscellaneous

Webcam: Built-in 2MP (with 30FPS) or better

Microphone: Built-in Stereo

Bluetooth: 2.1 + EDR

USB 2.0: 2 or More

Card-Reader: 4-in-1 or higher

Carry Bag: Backpack

Warranty: 1 Year or More Comprehensive including battery

Technical Specification for DESK TOP (Branded)

- Intel® Core i3™ 530 Processor or higher
- 4 MB or Higher Cache memory
- 4 GB 1333 Mhz DDR-3 SDRAM up gradable upto 8 GB
- 250 GB or Higher SATA HDD
- Standard Key Board and Mouse(optical)
- 16 X DVD +/- RW Super Multi DL
- 17" or higher TFT Monitor
- 10/100/1000 Mbps NIC
- Microsoft® Windows® 7 / Windows XP licensed (Quoted separately)
- Warranty – on site 1 year or more comprehensive

Technical Specification for Server(Branded)

- Up to two quad or dual –core Intel ® Xenon ® 5550 series processor with quick path interconnect (QPI) technology , up to 2.93 GHz and up to 1333 MHz front side bus(FSB)
- New entergy – efficient design with low 675W and up 92% efficient power supply , three cooling fan modules , new UEFI BIOS, altimeter monitored by Server Management Software or equivalent .
- Up to 128GB or high performance , new generation DDR-3 memory .
- Ultimate internal storage flexibility with up to twelve 2.5" hot – swap SAS/SATA/SSD HDD bays.
- 4 PCI express (4X8) gen 2 slots : 2 X 8 full length , full height 1X8 half length , full height 1X8 low profiles. 4X8 are convertible to 2X16 via optional risers. Also convertible to 2XPCI-X via optional risers.
- Warranty – on site 3 years warranty .
